THE NATIONAL ASSOCIATION OF BROADCASTERS'
PETITION TO PARTICIPATE

Pursuant to 17 U.S.C. § 803(b)(1)(B), 37 C.F.R. § 351.1(b), and the Copyright Royalty Judges' January 3, 2014 Federal Register notice (79 Fed. Reg. 412), the National Association of Broadcasters ("NAB"), on behalf of itself and its members, hereby petitions to participate in the above-captioned proceeding to determine reasonable rates and terms for 2016-2020 for eligible nonsubscription and subscription services to make certain public performances by digital audio transmission of sound recordings under 17 U.S.C. § 114(f)(2) and to make ephemeral recordings in furtherance of those performances under 17 U.S.C. § 112(e).

NAB has a significant interest in this proceeding because it is a national nonprofit membership organization that represents the interests of (a) radio broadcasters that make public performances of sound recordings by digital transmission and ephemeral recordings in furtherance thereof and (b) radio broadcasters that are considering making such performances and recordings during the upcoming license term. The broadcasters represented by NAB have a substantial financial interest in this proceeding and will be subject to the rates and terms established in this proceeding. NAB intends to participate fully in the proceeding.

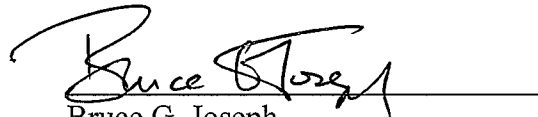

NAB's contact information, as required by 37 C.F.R. § 351.1(b)(1)(i)(A), is as follows:
